

16th November 2023

Dear Parents,

Kindergarten Celebrates Christmas - Tuesday 5th December 2023

We are delighted to announce that Kindergarten will be giving their special festive performance 'Baarmy Bethlehem' on Tuesday 5th December at 9:15 in the school hall. The performance itself should last approximately half an hour. Festive refreshments will be served in the hall at drop-off prior to the performance for all parents, grandparents and carers attending.

For safeguarding purposes and because the use of recording devices can spoil the view of others, we request that you do not use any form of camera, mobile phone or ipad, etc. to make a personal recording of the performance. We will give some time at the end of the performance for families to meet with their child and take souvenir photos, should they wish.

We look forward to welcoming you all to this special event in the Kindergarten calendar.

Yours sincerely,

Graeme Booth
Headmaster
