Dear Parents,

Monster Phonics Parent Login

As most of you are aware, our Monster Phonics scheme rollout is something which formed a key part of our school strategy last year. We are thrilled with how the scheme continues to develop within the school and are pleased to be able to share with you the new, individual parent ebook sign up option.

Presently, there is one generic login for all parents, where you have access to all the Monster Phonics ebooks. Monster Phonics have been very receptive to any suggestions made by us, and the many other schools using their scheme, including introducing individual parents logins, to allow teachers to allocate specific book bands, to cater more to the individual child's needs.

I am emailing you with the opportunity to create your own parent login. By following the link below, you will be able to set up your own account and then class teachers will be able to allocate specific books for your child. This includes new non-fiction and comic-themed ebooks!

Please click [here](#) to create your own account.

Teachers will be looking to allocate individual books to children in their class over the Christmas period so if you wish to have access to this new platform, please make sure your account is set up by then.

If you have any questions, please do not hesitate to contact me.

Kind regards,

Mrs Budd
