

PARENTS ASSOCIATION

NEARLY NEW SCHOOL UNIFORM

Our convenient Second Hand Uniform Service has now been running successfully for five years, and is available to parents at all times throughout the year (including school holidays), by email, phone or text. We also have at least one afternoon uniform sale per term in school, which is advertised on the Forest PA Facebook page and Twitter.

We always have quite a varied stock, but we need more of course, to be able to give a wider and more comprehensive range of items and sizes, and so we are appealing to parents to donate any good quality, outgrown, uniforms to the PA for ongoing stock. Year 6 leavers, if you aren't passing your uniforms on, please donate to the PA. You will also be able to sell your uniforms through us, for 50% of the selling price when sold, but if any items haven't been sold within one term, they are added to our stock for the PA. We can also advise a suggested price, in line with other uniform items in stock,

All proceeds from our Uniform Shop will be used by the PA to provide equipment and extras for the benefit of all children in the school, and of course, the more stock we have, the better the selection for sale, and the more money we can make! Thank you to all parents who have donated items for selling during the past year, and please keep them coming in.
