To Forest Preparatory Parents Association

I just wanted to express my heartfelt gratitude for your continued support and partnership with Little Green Sock Project and to acknowledge your incredible fundraising of £3,107 What an incredible 1st year!

From the fantastic teams of volunteers that have come to help us onsite, the generous preloved and new donations the students & parents have collected, and the imaginative fundraising ideas the PA have devised to raise vital funds, we've loved every second of the partnership.

As a small charity your funds go directly into making our core work happen. Over the last 12 months we have distributed 913 bundles of clothing and equipment to children across Trafford, and now regularly supporting 100 children a month, with a predicted increase in referrals expected in the coming winter months.

We look forward to the year ahead and getting the school involved in our plans for the next 12 months, including our Christmas support, and fundraising challenges!

We have an exciting opportunity through 'The Big Give' to have any donations made during our campaign week on the 3rd December - 10th December doubled! I'll be in touch with the PA in September to discuss ways to maximise this opportunity!

I hope you all had a fantastic summer holiday, and looking forward to seeing you all in the new school term.

Yours Sincerely

Catherine D'Albertanson
