Dear Parents and Neighbours,

### Supporting Safe and Considerate School Parking

Many parents and neighbours will have noticed the new traffic cones outside the school on the pavements by the double yellow lines. Unfortunately, I have felt compelled to invest in this traffic patrol measure following repeated inconsiderate, unsafe, and illegal parking by a small minority of Forest parents on the double yellow lines outside of school.

However, while I am pleased to say that the cones have been welcomed by many parents and neighbours, this is a measure that I had not previously put in place because the council had advised that in places the pavements are quite narrow. This being the case, I would like to build up a bank of supportive letters and emails so that if the council were to contact me to query the measure, I would be able to demonstrate that they are supported by our school and local community.

Should you wish to drop me a line of support, please email: [office@forestschoo.co.uk](mailto:office@forestschoo.co.uk) or write a note to me at: Forest Prep School, Moss Lane, Timperley, WA15 6LJ. There is a letterbox in the wall by the mini roundabout.

Yours sincerely,

Graeme Booth  
Headmaster

**PS:** As ever, I encourage our families to make use of the large car park at The Moss Trooper pub at drop off and pick up times. Making use of this facility, which is kindly offered by The Moss Trooper, takes the stress out of finding a parking space at drop off and pick up times and helps to ease the pressure on the roads around the school.
