Dear Parents,

New Website

We're pleased to share that our new website is due to be officially launched on 9th June 2025. The website address will remain unchanged:

www.forestschoo.co.uk

The new website serves both current and prospective parents, featuring a fresh look that incorporates elements unique to Forest—you may see some features that are familiar; our tortoises, the wisteria, and stained glass windows from the main house.

As current parents, you'll find the '**School Life**' and '**Latest News**' sections especially helpful.

- '**School Life**' includes key information such as term dates, Chef Simon's lunch menus, letters home, extracurricular activities, and more.
- '**Latest News**' offers updates through school blogs, our eMagazine, photo galleries, and the school calendar.

The website features detailed information about each year group, alongside areas such as Sports, Music, and Learning Support—making it a valuable resource for current and prospective families.

We hope you enjoy exploring the new site and find it a helpful tool for staying connected with school life.

Yours sincerely,

Graeme Booth
Headmaster
