Dear Parents,

**Football and Coordination Enrichment Sessions**

We are delighted to let you know about an exciting new enrichment opportunity for our Kindergarten and Reception children.

Starting this term, both classes will take part in a weekly football and coordination session every Wednesday afternoon. Each class will enjoy their own dedicated session with Matty Kosylo, centre forward for Altrincham Football Club.

Matty has extensive experience working with young children and specialises in teaching Early Years through fun, engaging enrichment sessions. These sessions are designed to help the children develop their coordination, teamwork, and physical skills in a supportive environment.

Clothing requirements for these sessions will be shared with you by Mrs Budd and Mr Bullock, so please look out for further details from them.

As someone who spends most Saturday afternoons cheering Matty on at the Moss Lane stadium, I can't wait to see him bring the same energy and inspiration to our children on Wednesdays. Who knows, he might even manage to improve my football skills too!

Yours sincerely,

G Booth
