

18th September 2025

Dear Parents,

Foresters achieve outstanding results!

Our latest Juniper results show that our Foresters have EXCELLED in Reading, Writing and Maths with attainment levels significantly higher than both the national benchmark and our already high-performing local authority, Trafford.

Results highlight (% of children at or exceeding the expected standard):

- Reading: 96%
- Maths: 98%
- Writing: 97% – an incredible 30% higher than the national average!

All our results are *amazingly high*, with a very impressive Maths score, which is just shy of 100% of our pupils meeting or exceeding the expected standards.

This success is a real testament to the hard work and commitment of our pupils along with the high standards of teaching at Forest Prep and the strong, supportive partnership between home and school.

The Juniper results are based on teacher assessments compared with a statistically significant dataset of around 5,000 schools nationwide, making this achievement even more special.

We couldn't be proud of our talented Foresters!

Best wishes

Mr Graeme Booth
Headmaster
