Forest Good Wishes

- **Diwali** – We are so grateful to Mrs Udas, Mrs Singhani, Ms Tiwary, Ms Dawar, Mrs Chadda and Mrs Lamba for making our Diwali celebrations so special for the children on Wednesday. A special thank you to Mr Patel for generously donating the delicious lunch for all our pupils from his grocery and take away store, The Indian Pantry. Happy Diwali next week!
- **Black History Month** – Mr Wedderburn gave two fascinating assemblies to our Lower School and Upper School children today. He was so impressed by the children’s existing knowledge and how keen they were to ask such intelligent questions. Our school class libraries will also be benefitting from the wonderful books that Mr and Mrs Wedderburn have donated for the occasion, thank you from the school.
- **Sports Success - U9 Dodgeball:** The children were a credit to the school performing very well and finishing second overall. **ISA Swimming Gala:** An incredible effort from all the children with many PBs achieved. Sam (Year 4) finished first in front crawl and backstroke and Christian (Year 5) finished first in backstroke.
