

16th October 2025

Dear Parents,

'How We Teach ... to prepare for the 11+' Evening – Years 3 and 4 Parents

Following on from the success of our previous 'How We Teach...' evenings, I would like to invite current Years 3, 4 and 5 parents to an evening based around how we teach to prepare for the 11+ in our Years 5 and 6 classes. This will take place in the School Hall on Tuesday, 4th November from 6:00 pm to approx. 7:00pm.

The evening, hosted by myself and Mr Hyde, will cover the following areas:

- What is covered in the 11+ Examinations?
- Share a sample of the questions on the 11+ papers
- How do we prepare the children for the 11+?
- Techniques for taking an exam
- Choosing future schools
- An all round curriculum - what if a child is not intending to sit the 11+?
- What happens after the exams in Year 6?
- Q & A.

Whilst this may seem some time away for most of you, we feel that giving you an early insight will allow some queries to be answered and explained. Please complete the Google Form [here](#) if you are able to come along.

Yours sincerely,

G Booth
