

16th October 2025

Dear Parents,

Autumn Term Parents' Evening – Monday 10th and Wednesday 12th November

Teachers are looking forward to meeting with you and having the opportunity to discuss your child's progress so far this year at one of the above evenings.

All meetings, including booking your appointment directly, will be organized through the School Cloud system. Appointments will be allocated on a first-come, first-served basis.

If you have more than one child in the school, please be reassured that when you fill in the name and details of one of your children, you will then be able to book appointments for all of their siblings. The system will automatically ensure there are no sibling time clashes.

A Parents' Guide with full instructions on each step of the booking process has also been loaded to ISAMS Parents Portal today.

You are asked to ensure you have access to the School Cloud account before the scheduled meeting time. If you have any queries on how to do this, please contact your child's class teacher BEFORE the day itself.

You must join the School Cloud appointment at the designated time as the system does not allow for any overlap/extra time for each appointment. If your discussion needs further time, the teacher will arrange a further meeting at a mutually convenient time.

Please [CLICK HERE](#) to book your appointment.

Please book your appointment no later than Monday 3rd November

Mr Booth will not be available on both evenings as he will be joining Mrs Eley and the Year 3 parents. Should you wish to make a personal appointment to speak with him, please do not hesitate to contact the school office.

Late Stay and Sibling Stay will take place as usual.

Yours sincerely,

Graeme Booth
Headmaster
