

20th November 2025

Dear Parents,

Kindergarten Nativity

As we approach the Christmas period in Kindergarten, we are excited to share our nativity performance with you. The invitation is extended to grandparents too.

Please find the details below:

When: Wednesday 3rd December 2025, 9:15 am.
What: Festive tea and coffee served after drop off, before the performance.
Where: Eley (School) Hall.

If this is not your child's usual day, please bring them in for registration and you can take them home after the performance. If this is your child's usual day, please pack their PE kits and we will get the children changed after the performance.

All children please come to school dressed in their nativity costume.

In line with our school policy, we politely ask that **no photos or videos are taken during the performance.**

Kindergarten children have been working really hard on the nativity and look forward to you watching them for one of their first performances together.

Kind regards,

Mrs B Budd
Deputy Headteacher (Academic and Early Years)
