

11<sup>th</sup> December 2025

Dear Parents,

**ISI Inspection Feedback**

Last week, we had a very intense but highly productive few days with the ISI Inspection team. As you may know, these inspections take place every three years. Schools are only notified on the Monday of the inspection week, with inspectors visiting from Tuesday to Thursday.

We are not permitted to share any details or outcomes until the official report is published, which we expect will be available in around five working weeks.

I am incredibly proud of all our pupils and staff for their hard work, positivity, and dedication throughout the inspection. It was truly wonderful to see the whole school community come together and showcase what makes Forest so special.

I very much look forward to sharing the report with all our families as soon as it is released.

Warm regards,

G Booth
